### Art products I used in this project:

#### Mixed Media Paper for the background:

Daler Rowney A4 250gsm Optima Mixed Media Papier Multi-Techniques (Paper from responsible sources) and Acid-free

Gesso: Dala brand (local to South Africa) - any white gesso will do

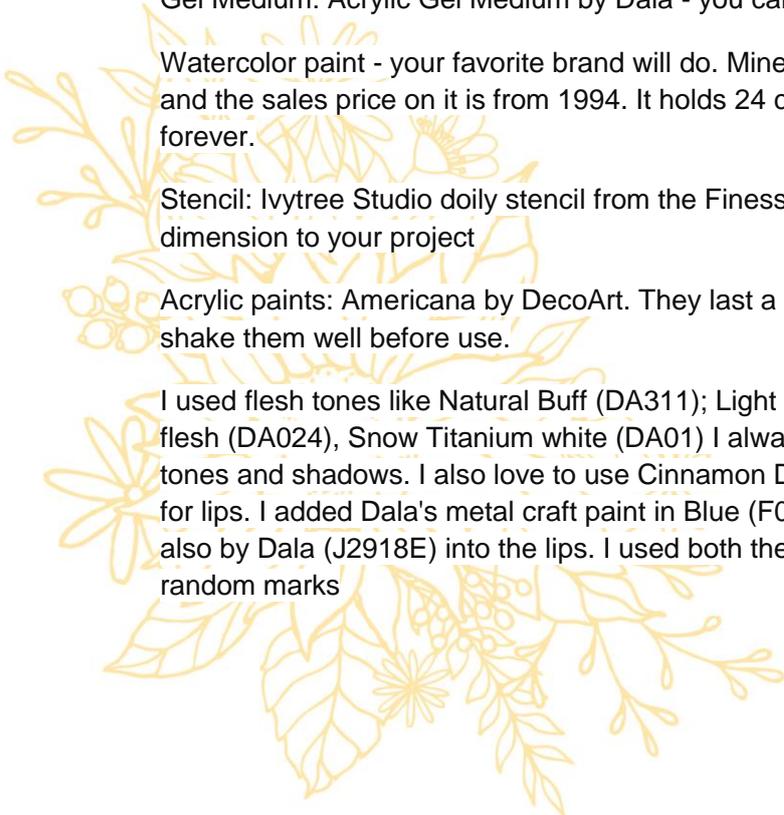

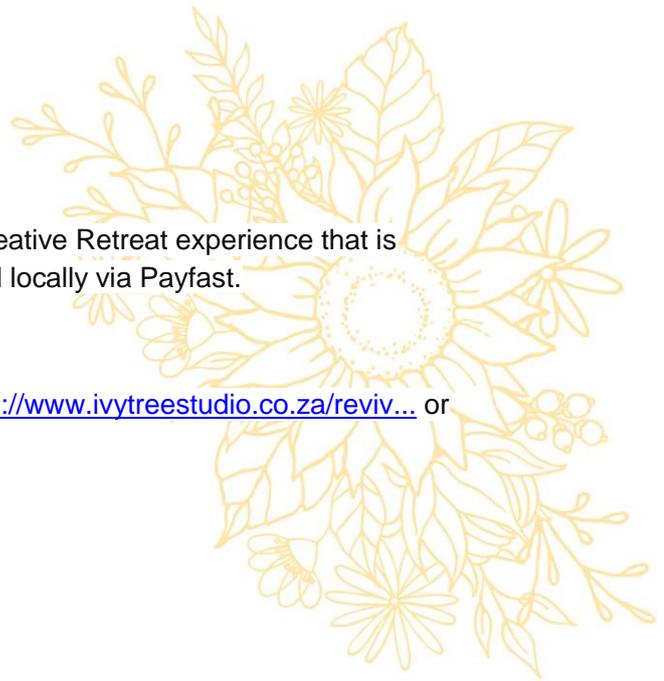

Gel Medium: Acrylic Gel Medium by Dala - you can use the brand you have

Watercolor paint - your favorite brand will do. Mine is a Rolfes product called Reeves watercolors and the sales price on it is from 1994. It holds 24 colours and is an excellent brand that lasts forever.

Stencil: Ivytree Studio doily stencil from the Finesse collection. Use any textured stencil to add dimension to your project

Acrylic paints: Americana by DecoArt. They last a really long time too. Just make sure that you shake them well before use.

I used flesh tones like Natural Buff (DA311); Light Buttermilk (DA164); Toffee (DA059); Hi-lite flesh (DA024), Snow Titanium white (DA01) I always blend these with white to create various tones and shadows. I also love to use Cinnamon Drop (DA308) and Watermelon Slice (DA324) for lips. I added Dala's metal craft paint in Blue (F0917E) and mixed a little Magenta craft paint also by Dala (J2918E) into the lips. I used both these colours in the background to make some random marks

I added splashes of the Cadence Mixed Media ink spray Fuchsia and Dark Brown.

I used a normal student version of pastels to add blue to the top of the page and sunflower orange to the bottom. I used a white stick to blend and soften the colours as well as a little yellow.

I used Vegas Gold Tsukineko All purpose ink to touch here and there.

Finally, I used Nuvo Crystal drops in three colours: Morning Dew, Bright Gold, and Ripened Pumpkin.

I used a black Unipin Fine line Water and fade proof pigment ink pen (0.3) to line the artwork, circles and sentiment and a dark brown pencil on the face.

I really enjoyed this process. I hope you try it.

Leave me a comment and let me know what you loved about this class.

See you over at the Revive Retreat!

xoxo Ansu
