

Project Preview

Hi there [#Creativegirl](#)

Welcome to my online classroom. I hope you enjoy your stay and I hope you are ready to learn!

Class Title: The Art of Projects 101

What this class is about/Objectives:

In this class you will be learning about the Sunflower Create-It System by Ivytrees Studio, what it is all about and how to use it.

Outline:

- General Introduction
- The Artist's Prayer
- An overview of the System
- How to Curate (put together/select) a project by using a variety of prompts
- Random Selection & Sequencing

Preparation for the class:

Please read the Sunflower Create-It System E-book before working through this class.

Outcomes:

- That you will understand the importance of inviting God into your art process
- That you will learn how to use the Sunflower system
- That you will be able to randomly select prompts and create a unique prompt list with 15 prompts which will form the first art journaling experiment using the Sunflower system (the art journaling experiment will be executed in the next class: "Creative Journaling 101")
- That you will also be able to experiment with the sequencing selection process and curate at least another 7 projects with 15 prompts each.

Class length: This class is just a little over an hour. I scheduled a short break for you half way and you can stop the video, move around, go for lunch or a walk and come back. Short breaks help with productivity and concentration.

RESOURCE LIST FOR THIS CLASS:

Materials needed:

- The Sunflower Create-It E-book
- Your Sunflower Create-It Kit (Download from the Tuchshop) and Specific pages from the E-book: The Artist's prayer and the Prompt Selection & Sequencing page
- Pen or pencil
- Note page/book for making notes.

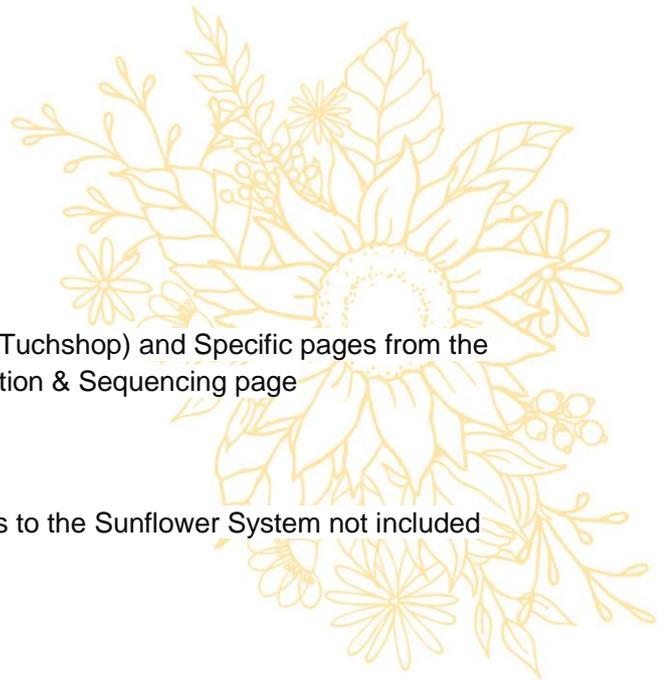

Note: Remember to check out the tuck-shop for elements to the Sunflower System not included in your Retreat Downloads.

YOUR TASK:

- Make sure you understand how to use the system
- Select prompts for at least 8 projects and write them down on a card. You may use the Thumbprint Project cards for this purpose. Ensure that you have 8 cards with 15 selected prompts each. These will be your projects for the Retreat Activities Program.
- Remember that this month's activities require you to post and share your creative experiments in the Retreat Facebook group. Look out for the specific post that represent this class. Share your class 'homework' results in a comment to the specific post.

Badges to earn: "Pitched up" & "Worked it"

You are earning badges towards earning your Retreat Certificate.

The next class:

See you in the next class!

xoxo Ansu
